[Schedule or Reschedule a Lesson](#)

If you follow the link above you will be taken to my Lesson Schedule and may find an open time slot that works with your schedule. A link at the bottom of the page allows one to email me directly from that page.

If none of the time slots are convenient, please, feel free to call me to discuss a lesson time. You may, also, email me and suggest other time slots that would work for you.

Sometimes adjustments in lesson time can be made. Also, I may be able to open additional times slots.

Thank you, Dan
